The Bible Alive

When you experience Israel first hand, you will never read the Bible the same way again. Stories come alive linking significant events and locations from both the Old and New Testaments as you climb the same steps, sit in the same synagogues, and look over the same lush landscapes as your favorite Biblical heroes. Your Israel experience will culminate as you walk the path Jesus walked from the last supper, to the garden of Gethsemane and finally to his trial and execution. Finish your adventure reflecting on his resurrection from the garden tomb. The scriptures truly come to life!

Travel in Style & Security

World class guides, 4 and 5 star hotels, and comfortable travel ensure you only have to worry about absorbing all you can. We work exclusively with Gill Travel who specializes in trips to the Holy Land working closely with the Israeli department of tourism.

We also know safety is always a concern with a trip overseas. Israel continues to be one of the safest destinations for travel in the world year after year.
