

# United Brethren National Office

## Materials for Sale

The United Brethren bookstore was discontinued at the beginning of 2018. We continue providing various UB-related materials—books, certificates, seals, and more. However, we still have on hand a number of non-UB items. We are making these items available to United Brethren churches at discounted prices.

**All materials must go by December 20.**

To order, call 888-622-3019. Or, send your order to: [orders@ub.org](mailto:orders@ub.org).  
Shipping costs will be determined based on your order.
